

BS/MPH 4+1 Program
Emory College Department of Environmental Sciences and
RSPH Department of Environmental Health

The BS/MPH program is for ENVS students who wish to pursue a Bachelor of Science degree in Environmental Sciences in Emory College and a Master of Public Health in Environmental Health in the Rollins School of Public Health in five years.

Applications must be submitted in the spring semester of the student's sophomore or junior year. To enter the program for fall semester 2020, a completed application must be received by: **February 7, 2020.**

Program Requirements:

- A cumulative GPA of at least 3.25 at time of admission to the program, and to be maintained through completion of the undergraduate degree.
- Must be a sophomore or junior at time of application
- Applicants are expected to have completed the following prior to application:
 - a) Introductory Courses – ENVS 130: Environmental Sciences and ENVS 131: Intro to ENVS Field Studies or ENVS_OX 131 (Oxford)
 - b) At least **two** courses within the ENVS Intermediate Breadth Requirements (Ecology & Conservation, Earth Science or Social Science & Policy). The courses must be in two separate breadth areas.
- Also preferred:
 - a) Enrollment in ENVS 260.
 - b) One course in chemistry and biology; statistics and physiology are also recommended. A background in biological sciences is preferred, but not required. Applicants without these classes are welcome to apply, but will be required to take biology and chemistry prior to their fifth year.

Application Details:

Statement of purpose: In one page, outline your personal objectives and goals for this program. Describe your academic background and strengths and personal experiences that influence your interest in the ENVS BS/MPH 4+1 program. Include related research, work, and/or internships.

Two Letters of Recommendation: Two letters of recommendation are required and can be sent in either a) a sealed envelope or b) via email from the recommender directly to the ENVS Graduate Program Coordinator. One letter must be from a current ENVS or Oxford faculty member. The most useful recommendations will come from Emory faculty who know you well and, if applicable, have served as your advisor for research experiences.

Transcript: Provide a copy of your unofficial Emory College transcript. The transcript should indicate any AP credit, transfer credit, or study abroad credits. If you have transfer credit, include a transcript from other schools attended (a copy is fine for this).

Résumé: Please provide a copy of your current résumé.

This page has intentionally been left blank.

APPLICATION

PROGRAM APPLICATION: This application is **only** for students to apply to the BS/MPH 4+1 program in Environmental Sciences (BS)/Environmental Health (EH)

APPLICATION DEADLINE: February 7, 2020

Applicants **must** be current sophomores or juniors in environmental sciences (ENVS) in Emory College or Oxford continues declaring BS/ENVS as their major.
