

ENVS 497: Undergraduate Internship Application

- Please read this form carefully
- Application deadline: **June 1**
- This form must be completed and signed by the **ENVS internship coordinator** and **your internship supervisor** before you begin work at your internship
- Once your application is submitted and approved, you will receive a permission number to enroll in ENVS 497.
- ENVS 497 students are responsible for submitting a self-evaluation at the internship midpoint, as well as ensuring that their internship supervisor completes two evaluations over the course of the internship: the **Employer Mid-Internship Evaluation** and the **Employer Final Evaluation**
- The grade for the internship will be based on employer evaluations as well as student performance in the **course component** (taken in the fall semester)
- Students enroll for 4 credit hours (160 or more total hours of work are required for all internship experiences)
