BREADTH AREAS

Earth and Atmospheric Sciences

MAJOR

ENVS 222: Evolution of the Earth w/Lab ENVS 229: Atmospheric Science w/Lab ENVS 235: Environmental Geology ENVS 239: Physical Oceanography

ENVS 241/242: Modern and Ancient Tropical Env

EXPECTED GRADUATION (semester/year)

ENVS 245: Fund Concepts in Soil Science

ENVS/CHEM 328: Intro to Atmospheric Chemistry

ENVS 330: Climatology

ENVS 331: Earth Systems Science

ENVS 342: Barrier Islands

ENVS 347: Landscapes & Geomorphology w/Lab

Ecology and Conservation

ENVS 232: Integrated Methods in Ecology
ENVS 240: Ecosystem Ecology
ENVS/BIOL 247 or 247LW: Ecology
ENVS 345: Conservation Biology
ENVS 349: Ecology of Invasions
ENVS 359: Ecology & Evolution of Disease
ENVS 366: Population Ecology
ENVS 459: Urban Ecology

Social Science and Policy

ENVS 224: Economy & the Environment ENVS 225: Institutions & the Environment ENVS/POLS 227: Environmental Policy ENVS 323: Sustainable Food Systems ENVS 326: Climate Change & Society

ENVS/HIST 344: American Environmental History

ENVS 420: Law and Biodiversity

Courses listed here are $\underline{\textbf{regularly offered}}$ in the ENVS department.

NAME

CURRICULUM NOTE: If you are an ENVS major and elect a minor in SUSTSCIMIN, please note that you may **NOT** count any courses toward both the ENVS major and the SUSTSCI minor requirements, with the exception of ENVS 130, ENVS 140 or ENVS 120.

Sciences of Sustainability guidelines:

Must be 200 level or above

EXPECTED GRADUATION (semester/year)

- Students should choose at least one course from each area, social sciences and natural sciences. Courses are listed below in each category.
- Courses should be selected in consultation with your ENVS faculty advisor.

SOCIAL SCIENCE COURSES:

ENVS 224: Economy & the Environment

ENVS 225: Institutions & the Environment

ENVS 227: Environmental Policy

ENVS 234: Biophilic & Green Design

ENVS 323: Sustainable Food Systems

ENVS 326: Climate Change and Society

ENVS 350: Environmental Thought

ENVS 352: Sustainable Business Strategy

ENVS /POLS 370a: Community Building and Social Change

ENVS 420: Law and Biodiversity

NATURAL SCIENCE COURSES:

ENVS 232: Fundamentals of Ecology w/lab

ENVS 240: Ecosystem Ecology

ENVS 245: Fund Soil Science

ENVS/BIOL 247: Ecology

ENVS 323: Sustainable Food Systems

ENVS 326: Climate Change and Society

ENVS 331: Earth Systems Science

ENVS 345: Conservation Biology & Biodiversity

ENVS 442: Ecology of Emory

ENVS 459: Urban Ecology & Development

*ONE pre-approved study abroad course may count toward the SUSTSCI minor requirements

Courses listed here are regularly offered in the ENVS department.
